Hope This Puts A Smile On Your Face...

Behold the cow,
she does endow;
a well-perfected art.

She stands in mud
and chews her cud
and might not look so smart,
but deep inside
that tough old hide
a brain there has to be,
for she takes life
with much less strife
than either you or me.

To earn her keep
just eat and sleep
and give her milk each day.

I think that I
would like to try
to sneak through life that way!
